UPDATE # 2 re: Coronavirus (COVID-19) - March 15, 2020, 10:30pm Message from Calgary North Edge Skating Academy Owner, Lyndsey Ford

Dear members,

For the health and safety of our skaters, families and coaches, as of Monday March 16, 2020, I am suspending ALL programs at Calgary North Edge Skating Academy until further notice.

This decision is based on information provided this afternoon by the Alberta Minister of Health regarding the closure of schools and daycares. The decision was also formed based on an announcement this evening by City of Calgary Mayor, Naheed Nenshi, announcing a state of local emergency in Calgary.

I will continue to monitor the COVID-19 situation in Calgary and follow recommendations set by the Alberta Minister of Health and City of Calgary. Members will be updated on the status of programs as information becomes available. Please check your email in the following days for information regarding accounts and registration fees. I ask for your patience and understanding as we navigate this process.

Lastly, I understand this has been a fast paced situation leaving many families in difficulty and uncertainty. As a parent myself, my thoughts are with you all as we take these aggressive measures to slow COVID-19 and keep our community safe.

We are all in this together. Stay safe and healthy,
Coach Lyndsey
